
Cyber Safety Tips

UPDATE YOUR DEVICES

Turn on automatic updates on all your devices and regular check for updates.

PRACTICE SAFE BROWSING

A single careless click can expose your sensitive information. Think before you click!

WATCH OUT FOR SCAMS

Cybercriminals use email, SMS, phone calls and social media to trick you. Be mindful of social engineering techniques.

BE CAUTIOUS OF WHAT YOU SHARE ONLINE

Sharing information on social media like your birthday or submitting your personal information to websites, could be used by scammers to try to deceive you.
